**MOTION FOR RELIEF FROM AUTOMATIC STAY**

18     U.S. Bank, National Association, Secured Creditor herein, ("Secured Creditor" or "Movant"  
 19     hereinafter), alleges as follows:

20        1. That on or about September 9, 2009, the above named Debtors filed this instant Chapter  
 21        13 Petition in Bankruptcy with the Court.

22        2. Secured Creditor is the current payee of a promissory note dated December 17, 2004 in  
 23        the principal sum of \$180,000.00 ("Promissory Note" herein), secured by a Real Property Trust Deed  
 24        of same date ("Trust Deed" herein) upon property generally described as 5328 Jacinta Court, Las  
 25        Vegas, NV 89108, and legally described as follows:

1           LOT SIX (6) IN" BLOCK SEVEN (7) OF OESTE VILLAS UNIT 5. AS SHOWN BY MAP  
2 THEREOF ON FILE IN BOOK :31, OF PLATS, PAGE 21, IN THE OFFICE OF THE  
COUNTY RECORDER OF CLARK COUNTY NEVADA

3 ("subject property" herein).

4 Secured Creditor is informed and believes. and, based upon such information and belief, alleges that title  
5 to the subject property is currently vested in the name of Debtors and that the Debtors are in default of  
6 the loan obligations.

7         3. Movant is informed and believes and therefore alleges that the Debtors and the  
8 bankruptcy estate have no equity in the property. Pursuant to Debtors' Statement of Intentions and Plan  
9 filed with the Court. the Debtors intend on surrendering Debtors' interest in the subject property. A true  
10 and correct copy of the Debtors' Plan is attached hereto as Exhibit "A".  
11

12         4. Movant is informed and believes and therefore alleges that the Debtors and bankruptcy  
13 estate have insufficient equity in the property. The fair market value of the property pursuant to  
14 Debtors' Schedule "A" is \$175,000.00, less ten percent (10%) cost of marketing, less the secured lien  
15 resulting in insufficient equity. Therefore. secured creditor is not adequately protected. A true and  
16 correct copy of the Debtors' Schedule "A" is attached hereto as Exhibit "B".  
17

18         5. Secured Creditor has not initiated foreclosure proceedings on the Property with respect  
19 to the subject Trust Deed.  
20

21         6. Secured Creditor has incurred to date attorney's fees of approximately \$750.00.  
22

23         7. Secured Creditor urges that this Court issue and Order herein permitting this Secured  
24 Creditor to proceed to a Foreclosure Sale of the Property, including necessary action to obtain  
25 possession of the Property.  
26

27         8. Secured Creditor's Information Sheet as to the extent of liens and encumbrances against  
28 the subject property is attached hereto as coversheet and incorporated herein by reference. Secured  
29 Creditor will seek leave of Court to specify any further encumbrances against the subject property at  
30 the time of hearing.  
31

1       9.     Kathleen A. Leavitt has been appointed by this Court as the Chapter 13 Trustee in this  
2 instant Bankruptcy proceeding. To the extent the relief sought herein is granted, the Trustee should be  
3 bound any such judgment.

4       10.    This Court has jurisdiction of this action pursuant to the provisions of 11 U.S.C. Section  
5 362(d).

6       11.    Secured Creditor asserts that a foreclosure proceeding has not been initiated concerning  
7 the subject property. As a result, Secured Creditor asks the Court to waive the requirement of notifying  
8 other lienholders as detailed in Local Rule 4001 (a)(1). Such lienholders will be notified of a  
9 foreclosure proceeding if and when one is initiated.

10     WHEREFORE, Secured Creditor prays judgment as follows:

11     (1)     For an order granting relief from the Automatic Stay, and permitting this Secured  
12 Creditor to move ahead with foreclosure proceedings under this Secured Creditor's Trust Deed and to  
13 sell the subject property at a Foreclosure Sale under the items of said Trust Deed including necessary  
14 action to obtain possession of the Property.

15     (2)     For a finding that Rule 4001(a)(3) of the Rules of Federal Bankruptcy Procedure is not  
16 applicable and Secured Creditor may immediately enforce and implement the order for relief from the  
17 automatic stay.

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property." Borrower understands and agrees that MERS holds only legal title to the interests granted by Borrower in this Security Instrument, but, if necessary to comply with law or custom, MERS (as nominee for Lender and Lender's successors and assigns) has the right: to exercise any or all of those interests, including, but not limited to, the right to foreclose and sell the Property; and to take any action required of Lender including, but not limited to, releasing and canceling this Security Instrument.

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances

of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

**UNIFORM COVENANTS.** Borrower and Lender covenant and agree as follows:

**1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges.** Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentalities, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

**2. Application of Payments or Proceeds.** Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

**3. Funds for Escrow Items.** Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds

SUS

for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

**4. Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10

S.M.S.

Initials: RJM/S.

days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

**5. Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagor and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagor and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the Property at any time of day or night to such an extent as to interfere with the maintenance and security of such property.

the sums secured by this security instrument, whether or not then due, with the excess, if any, paid to  
Borrower. Such instruments the Property, Lender may file, negotiate and settle any available insurable claim  
and related matters. If Borrower does not respond within 30 days to a notice from Lender that the instrument  
contains errors or omissions, Lender may negotiate and settle the claim. The 30-day period will  
begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or  
otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount  
not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's  
rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance  
policies covering the Property, whether as such rights are applicable or to pay amounts unpaid under the  
Note or this Security instrument, whether or not then due.

in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

**10. Mortgage Insurance.** If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the

Form 3029 1/01

in the order provided for in Section 2.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Landlord's judgment, could result in forfeiture of the Property or other material impairment of Landlord's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if so ordered by a court, a writ of execution shall be issued to Landlord to recover the amount of the unpaid balance of the Note and all other amounts due under this Agreement.

If the Property is abandoned by Bottowever, or if, after notice by Landor to Bottowever that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Bottowever will proceed to Landor within 30 days after the date the notice is given, Landor is authorized to collect and apply the Vacant Lots Premium Proceeds either to restoration of property of the Proprietor to the extent and Specially Landedmen, holder of not less than one-half of the property, means the third party that owns Bottowever proceeds or the party against whom Bottowever has a right of action in regard to which it receives no compensation, the other party being Proprietor.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value of the Property, less the fair market value of the Property immediately before the partial taking, destruction, or loss in value of the Property, plus the amount of the insurance proceeds shall be applied to the same amount of the shares received immediately before the partial taking, destruction, or loss in value, unless

In the event of a total breaking down, destruction, or loss in value of the Property, the Insurcible Proceeds shall be applied to the sums secured by this Security Instrument, whether or not there due, with the excess, if any, paid to Borrower.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Leader's security is not lessened. During such repair and restoration Leader shall have the right to hold such Miscellaneous Proceeds until Leader has had an opportunity to inspect such property to assure the work has been completed to Leader's satisfaction, provided that such inspection may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Leader may pay for the repairs and restoration in full upon completion of the work. Leader shall be entitled to hold such Miscellaneous Proceeds until Leader has paid all expenses of repairing and restoring the Property, provided Leader has not been compensated for his services by the lessee or his assigns.

Motottagee Interimance under the Homeowners Protection Act of 1998 or any other law, since the trustees may include the right to receive certain disbursements, to request and obtain cancellation of the Mortgagee in trust, to receive certain disbursements, to request and obtain automaticity, and/or to receive a refund of any amount paid by the Mortgagor to the Mortgagee in trust, to have the Mortgagee measure the property at the time of such cancellation or termination.

to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

**13. Joint and Several Liability; Co-signers; Successors and Assigns Bound.** Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

**14. Loan Charges.** Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

**15. Notices.** All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

**16. Governing Law; Severability; Rules of Construction.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations

contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. **Borrower's Copy.** Borrower shall be given one copy of the Note and of this Security Instrument.

18. **Transfer of the Property or a Beneficial Interest in Borrower.** As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. **Borrower's Right to Reinstate After Acceleration.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. **Sale of Note; Change of Loan Servicer; Notice of Grievance.** The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the

address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereeto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

**21. Hazardous Substances.** As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option, and without further demand, may invoke the power of sale, including the right to accelerate full payment of the Note, and any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold, and shall cause such notice to be recorded in each county in which any part of the Property is located. Lender shall mail copies of the notice as prescribed by Applicable Law to Borrower and to the persons prescribed by Applicable Law. Trustee shall give public notice of sale to the persons and in the manner prescribed by Applicable Law. After the time required by Applicable Law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

23. Reconveyance. Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs. Lender may charge such person or persons a fee for reconveying the Property, but only if the fee is paid to a third party (such as the Trustee) for services rendered and the charging of the fee is permitted under Applicable Law.

24. Substitute Trustee. Lender at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by Applicable Law.

25. Assumption Fee. If there is an assumption of this loan, Lender may charge an assumption fee of ~~KDSCSX~~

**BALLOON RIDER**  
**CONDITIONAL MODIFICATION AND EXTENSION OF LOAN TERMS**  
**INTEREST ONLY - FIXED RATE**

THIS BALLOON RIDER is made this 17TH day of DECEMBER, 2004, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure the Borrower's Note to U.S. BANK N.A. (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

5328 JACINTA COURT, LAS VEGAS, NEVADA 89108

[Property Address]

The interest rate stated on the Note is called the "Note Rate." The date of the Note is called the "Note Date." I understand the Lender may transfer the Note, Security Instrument and this Rider. The Lender or anyone who takes the Note, the Security Instrument and this Rider by transfer and who is entitled to receive payments under the Note is called the "Note Holder."

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements in the Security Instrument, Borrower and Lender further covenant and agree as follows (despite anything to the contrary contained in the Security Instrument or the Note):

**1. CONDITIONAL MODIFICATION AND EXTENSION OF LOAN TERMS**

At the maturity date of the Note and Security Instrument (the "Note Maturity Date"), I will be able to extend the Note Maturity Date to JANUARY 1, 2035 (the "Extended Maturity Date") and modify the Note Rate to the "Modified Note Rate" determined in accordance with Section 3 below if all the conditions provided in Sections 2 and 5 below are met (the "Conditional Modification and Extension Option"). If those conditions are not met, I understand that the Note Holder is under no obligation to refinance the Note or to modify the Note, reset the Note Rate or extend the Note Maturity Date, and that I will have to repay the Note from my own resources or find a lender willing to lend me the money to repay the Note.

**2. CONDITIONS TO OPTION**

If I want to exercise the Conditional Modification and Extension Option, certain conditions must be met as of the Note Maturity Date. These conditions are: (a) I must still be the owner and occupant of the property subject to the Security Instrument (the "Property"); (b) I must be current in my monthly payments and cannot have been more than 30 days late on any of the 12 scheduled monthly payments immediately preceding the Note Maturity Date; (c) there are no liens, defects, or encumbrances against the Property, or other adverse matters affecting title to the Property (except for taxes and special assessments not yet due and payable) arising after the Security Instrument was recorded; (d) the Modified Note Rate cannot be more than 5 percentage points above the Note Rate; and (e) I must make a written request to the Note Holder as provided in Section 5 below.

**3. CALCULATING THE MODIFIED NOTE RATE**

The Modified Note Rate will be a fixed rate of interest equal to the Federal Home Loan Mortgage Corporation's required net yield for 30-year fixed rate mortgages subject to a 60-day mandatory delivery commitment, plus one percent (1.00%), rounded to the nearest one-eighth of one percent (0.125%) (the "Modified Note Rate"). The required net yield shall be the applicable net yield in effect on the date and time of day that I notify the Note Holder of my election to exercise the Conditional Modification and Extension Option. If this required net yield is not available, the Note Holder will determine the Modified Note Rate by using comparable information.

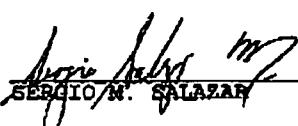

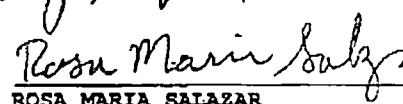

**4. CALCULATING THE NEW PAYMENT AMOUNT**

Provided the Modified Note Rate as calculated in Section 3 above is not greater than 5 percentage points above the Note Rate and all other conditions required in Section 2 above are satisfied, the Note Holder will determine the amount of the monthly payment that will be sufficient to repay in full (a) the unpaid principal, plus (b) accrued but unpaid interest, plus (c) all other sums I will owe under the Note and Security Instrument on the Note Maturity Date (assuming my monthly payments then are current, as required under Section 2 above), over the remaining extended term at the Modified Note Rate in equal monthly payments. The result of this calculation will be the new amount of my principal and interest payment every month until the Note is fully paid.

5. EXERCISING THE CONDITIONAL MODIFICATION AND EXTENSION OPTION

The Note Holder will notify me at least 60 calendar days in advance of the Note Maturity Date and advise me of the principal, accrued but unpaid interest, and all other sums I am expected to owe on the Note Maturity Date. The Note Holder also will advise me that I may exercise the Conditional Modification and Extension Option if the conditions in Section 2 above are met. The Note Holder will provide my payment record information, together with the name, title and address of the person representing the Note Holder that I must notify in order to exercise the Conditional Modification and Extension Option. If I meet the conditions of Section 2 above, I may exercise the Conditional Modification and Extension Option by notifying the Note Holder no earlier than 60 calendar days and no later than 45 calendar days prior to the Note Maturity Date. The Note Holder will calculate the fixed Modified Note Rate based upon the Federal Home Loan Mortgage Corporation's applicable published required net yield in effect on the date and time of day notification is received by the Note Holder and as calculated in Section 3 above. I will then have 30 calendar days to provide the Note Holder with acceptable proof of my required ownership, occupancy and property lien status. Before the Note Maturity Date the Note Holder will advise me of the new interest rate (the Modified Note Rate), new monthly payment amount and a date, time and place at which I must appear to sign any documents required to complete the required Note Rate modification and Note Maturity Date extension. I understand the Note Holder will charge me a \$250 processing fee and the costs associated with the exercise of the Conditional Modification and Extension Option, including but not limited to the cost of updating the title insurance policy.

**(A) Time and Place of Payments**

I will pay interest only during the term of this loan by making a payment every month and I will pay the outstanding principal at maturity.

I will make my monthly payments on the FIRST day of each month beginning on FEBRUARY 1, 2005. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on JANUARY 1, 2010, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at 4801 FREDERICA STREET, OWENSBORO,  
KY 42301 or at a different place if required by the Note Holder.

**(B) Amount of Monthly Payments**

My initial monthly interest payments will be in the amount of U.S. \$ 712.50. This amount is subject to change if I make a Prepayment pursuant to Section 4 of this Note.

**4. BORROWER'S RIGHT TO PREPAY**

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

I may make a full Prepayment or partial Prepayments without paying any Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date .

**5. LOAN CHARGES**

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sum already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

**6. BORROWER'S FAILURE TO PAY AS REQUIRED**

**(A) Late Charges for Overdue Payments**

If the Note Holder has not received the full amount of any monthly payment by the end of FIFTEEN calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5.000 % of my overdue payment of interest. I will pay this late charge promptly but only once on each late payment.

**(B) Default**

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

**(C) Notice of Default**

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

**(D) No Waiver By Note Holder**

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

**(E) Payment of Note Holder's Costs and Expenses**

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

**7. GIVING OF NOTICES**

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by delivering it or by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

**8. OBLIGATIONS OF PERSONS UNDER THIS NOTE**

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of the Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that anyone of us maybe required to pay all of the amounts owed under this Note.

**9. WAIVERS**

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the rights to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

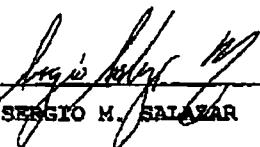

**10. UNIFORM SECURED NOTE**

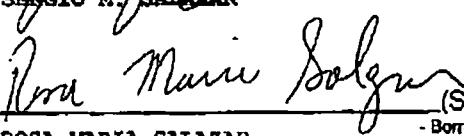

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under the Note. Some of those conditions are described as follows:

**Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

LOAN: 7884382529

**BALLOON NOTE ADDENDUM  
CONDITIONAL MODIFICATION AND EXTENSION OF LOAN TERMS  
INTEREST ONLY - FIXED RATE**

THIS BALLOON NOTE ADDENDUM is made this 17TH day of DECEMBER, 2004, and is incorporated into and shall be deemed to amend and supplement the Balloon Note made by the undersigned (the "Borrower") in favor of U.S. BANK N.A. (the "Lender") and dated the same date as the Addendum (the "Note"). The interest rate stated on the Note is called the "Note Rate." The date of the Note is called the "Note Date."

I (the borrower) understand the Lender may transfer the Note, the related Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") and this Addendum. The Lender or anyone who takes the Note, Security Instrument and this Addendum by transfer and who is entitled to receive payments under the Note is called the "Note Holder."

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements in the Security Instrument, Borrower and Lender further covenant and agree as follows (despite anything to the contrary contained in the Security Instrument or the Note):

**1. CONDITIONAL MODIFICATION AND EXTENSION OF LOAN TERMS**

At the maturity date of the Note and Security Instrument (the "Note Maturity Date"), I will be able to extend the Note Maturity Date to JANUARY 1, 2035 (the "Extended Maturity Date") and modify the Note Rate to the "Modified Note Rate" determined in accordance with Section 3 below if all the conditions provided in Sections 2 and 5 below are met (the "Conditional Modification and Extension Option"). If those conditions are not met, I understand that the Note Holder is under no obligation to refinance the Note or to modify the Note, reset the Note Rate or extend the Note Maturity Date, and that I will have to repay the Note from my own resources or find a lender willing to lend me the money to repay the Note.

**2. CONDITIONS TO OPTION**

If I want to exercise the Conditional Modification and Extension Option, certain conditions must be met as of the Note Maturity Date. These conditions are: (a) I must still be the owner and occupant of the property subject to the Security Instrument (the "Property"); (b) I must be current in my monthly payments and cannot have been more than 30 days late on any of the 12 scheduled monthly payments immediately preceding the Note Maturity Date; (c) there are no liens, defects, or encumbrances against the Property, or other adverse matters affecting title to the Property (except for taxes and special assessments not yet due and payable) arising after the Security Instrument was recorded; (d) the Modified Note Rate cannot be more than 5 percentage points above the Note Rate; and (e) I must make a written request to the Note Holder as provided in Section 5 below.

**3. CALCULATING THE MODIFIED NOTE RATE**

The Modified Note Rate will be a fixed rate of interest equal to the Federal Home Loan Mortgage Corporation's required net yield for 30-year fixed rate mortgages subject to a 60-day mandatory delivery commitment, plus one percent (1.00%), rounded to the nearest one-eighth of one percent (0.125%) (the "Modified Note Rate"). The required net yield shall be the applicable net yield in effect on the date and time of day that the Note Holder receives notice of my election to exercise the Conditional Modification and Extension Option. If this required net yield is not available, the Note Holder will determine the Modified Note Rate by using comparable information.

**4. CALCULATING THE NEW PAYMENT AMOUNT**

Provided the Modified Note Rate as calculated in Section 3 above is not greater than 5 percentage points above the Note Rate and all other conditions required in Section 2 above are satisfied, the Note Holder will determine the amount of the monthly payment that will be sufficient to repay in full (a) the unpaid principal, plus (b) accrued but unpaid interest, plus (c) all other sums I will owe under the Note and Security Instrument on the Note Maturity Date (assuming my monthly payments then are current, as required under Section 2 above), over the remaining extended term at the Modified Note Rate in equal monthly payments. The result of this calculation will be the new amount of my principal and interest payment every month until the Note is fully paid.

**5. EXERCISING THE CONDITIONAL MODIFICATION AND EXTENSION OPTION**

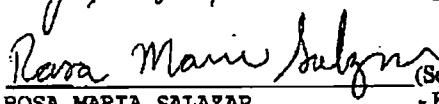

The Note Holder will notify me at least 60 calendar days in advance of the Note Maturity Date and advise me of the principal, accrued but unpaid interest, and all other sums I am expected to owe on the Note Maturity Date. The Note Holder also will advise me that I may exercise the Conditional Modification and Extension Option if the conditions in Section 2 above are met. The Note Holder will provide my payment record information, together with the name, title and address of the person representing the Note Holder that I must notify in order to exercise the Conditional Modification and Extension Option. If I meet the conditions of Section 2 above, I may exercise the Conditional Modification and Extension Option by notifying the Note Holder no earlier than 60 calendar days and no later than 45 calendar days prior to the Note Maturity Date. The Note Holder will calculate the fixed Modified Note Rate based upon the Federal Home Loan Mortgage Corporation's applicable published required net yield in effect on the date notification is received by the Note Holder and as calculated in Section 3 above. I will then have 30 calendar days to provide the Note Holder with acceptable proof of my required ownership, occupancy and property lien status. Before the Note Maturity Date the Note Holder will advise me of the new interest rate (the Modified Note Rate), new monthly payment amount and a date, time and place at which I must appear to sign any documents required to complete the required Note Rate modification and Note Maturity Date extension. I understand the Note Holder will charge me a \$250 processing fee and the costs associated with the exercise of the Conditional Modification and Extension Option, including but not limited to the cost of updating the title insurance policy.

BY SIGNING BELOW, BORROWER accepts and agrees to the terms and covenants contained in this Balloon Note Addendum.
